

## Fill in the gaps

## Riding With The King (Cover) by B.B. King & Eric Clapton

I dreamed I had a (1) job and I got (2)	You can see it in his face, the blue never lie
paid	Tonight everybody's (9) (10)
I blew it all at the penny arcade	(11) wings
A hundred dollars on a kewpie doll	And don't you know we're riding with the king?
No (3) chick is gonna make me crawl	I stepped out of Mississippi
Get on a TWA to the promised land	When I was ten (12) old
Every woman, child and man	With a suit cut (13) as a razor
Gets a Cadillac and a great big diamond ring	And a (14) made of gold
Don't you know you're riding with the king?	I had a guitar hanging just about waist high
He's on a mission of (4) to the new frontier	And I'm (15) (16) this
He's gonna check us all on out of here	(17) until the day I die
Up to (5) on a hill	(Don't you (18) we're riding with the king?)
Where you can get your prescription filled	Don't you know we're riding with the king?
Get on a TWA to the promised land	Don't you know we're (19) with the king?
Everybody	<del></del>
Everybody clap your hands	Riding, you're (20) (21) the king
Clap (7) hands	
And don't you just love the way that he sings?	You're riding, you're riding with the king
Don't you know we're riding with the king?	<del></del>
Riding (8) the king	Don't you know we're (22) with the king?
Don't you know we're riding with the king?	
A tuxedo and shiny 335
