

## Wild Child by Enya

Ever close your eyes

Ever (1)\_\_\_\_\_ and listen

Ever (2)\_\_\_\_\_ alive

And you've nothing missing

You don't need a reason

Let the day go on and on

Let the rain fall down

Everywhere around you

Give (3)\_\_\_\_\_ it now

Let the day (4)\_\_\_\_\_ you

You don't need a reason

Let the rain go on and on

What a day, what a day to (5)\_\_\_\_\_ to

What a way, what a way to make it through

What a day, what a day to take to a wild child

Only take the time

From the helter skelter

Every day you find

Everything's in kilter

You don't need a reason

Let the day go on and on

## Fill in the gaps

Every summer sun

Every (6)\_\_\_\_\_ evening

Every spring to come

Every (7)\_\_\_\_\_ leaving

You don't need a reason

Let it all go on and on

What a day, what a day to take to

What a way, what a way to make it through

What a day, what a day to take to a wild child

What a day, what a day to take to

What a way, (8)\_\_\_\_\_ a way to make it through

What a day, what a day to take to a wild child

What a day, what a day to take to

What a way, what a way to make it through

What a day, what a day to take to

...

What a way, what a way to make it through

What a day, what a day to (9)\_\_\_\_\_ to a wild child

What a day, what a day to take to a wild child
