

We were fools to think that nothing could go wrong

Fill in the gaps

I've got enough on my mind		Go on, go on	
That when she pulls me by the hand		If you (6)	thinking that the worst is yet to come
She hasn't much to hold onto		Why am I the one	
She's keeping count on her hands		Always packing all my stuff	
One, two, three days that I've been		For once, for once	
Sleeping on my side		I get the feeling that I'm right where I belong	
I've finished kissing my death		Why am I the one	
So now I head back up the steps		Always packing all my stuff	
Thinking about where I've been		I think I kinda like it but	
I mean it's always never like this		I might have had too much	
So I wanna feel with the seasons		I'll move back down	
I (1) it (2) sense		To (7) w	estern town
'Cause my life's become as vapid as		When they find me out	
A night out in Los Angeles		Make no mistake about it	
And I (3) wanna stay in bed		I'll move back down	
I hold you like I (4) to		To this western town	
You know that I am home		When they find me out	
So darling, if you love me		Make no mistake about it	
Would you let me know		I'll move back down (go on, go on, go on)	
Or go on, go on		If you (8)	thinking that the worst is yet to come
If you were thinking that the worst is yet to come		Why am I the one	
Why am I the one		Always packing all my stuff	
Always packing all my stuff		Go on, go on, go on	
For once, for once		If you (9)	thinking that the worst is yet to come
I get the feeling that I'm right (5)	I belong	Why am I the one	
Why am I the one		Always packing all my stuff	
Always packing all my stuff		For once, for once, for once	
She got enough on her mind		I get the feeling that I'm right where I belong	
That she feels no sorrow		Why am I the one	
I let my faith fill the air		Always packing all my stuff	
So now she's rolling down the window		I think I kinda like it but	
Never been one to hold on		I might have had too much	
But I need a last breath		I'll move (10)	down
So I ask if she remembers when			
She used to come and visit me			

- 1. guess
- 2. makes
- 3. just
- 4. used
- 5. where
- 6. were
- 7. this
- 8. were
- 9. were
- 10. back
