Round, round, baby	All my girls are (6) with me
Round, round spinning out on me	Whiling out they've got their needs
I don't need no man, got my kicks for free	(Do you feel me, do you feel me)
We'll ride still fired on the beat (1) low	(Do you feel me, do you feel me)
I don't need nobody but my honeys	Round, round baby
When I go round, baby	Round, round spinning out on me
Round, round spinning out on me	I don't need no man got my kicks for free
I don't need no man, got my kicks for free	We'll ride still fired on the beat down low
When you stare at my face	I don't need nobody but my honeys
You're messing with my brain	When I go round, baby
If you're trying to (2) me	Round round spinning out on me
Then you better think again	I don't need no man, got my kicks for free
If you move to the music	We'll ride still fired on the beat (7) low
The music's got to give	I don't need nobody but my honeys when I go
If it's too complicated	Does it hurt when you see how I've done
That's the way I wanna live	Without you (8) that I couldn't belong
If you (3) me	Never thought that you could be so cruel
I will show you	All you need is some friends
How to brake me	Won't be by yourself
Into something new	Let's go round and round and (9) and round and
If you want me	round
Run away now	Round, round baby
If you stop me	Round, round spinning out on me
Then I'll hit the ground	I don't need no man got my kicks for free
(And we go, here we go)	We'll ride still fired on the beat (10) low
Round, round baby	I don't need nobody but my honeys
Round, round spinning out on me	When I go round baby
I don't need no man, got my kicks for free	Round, round spinning out on me
We'll (4) still (5) on the beat down	I don't need no man, got my kicks for free
low	We'll ride still fired on the beat down low
I don't need nobody but my honeys when I go	I don't need nobody but my honeys
Explanations, no you don't need one	When I go round, baby when I go (when I go)
Having a good time getting down to the fun	When I go (when I go)
And it's your time	When I go (when I go)
Just tonight he'll be mine and he's gone	When I go round, baby when I go (when I go)
(Yeah, yeah)	When I go (when I go)
People moving, bodies grooving	When I go (when I go)
Never ending playaz are changing	When I go
(Don't you worry 'bout a thing)	
(All you need is self-esteem)
