Round Round by Sugababes

Fill in the gaps

Round, round, baby	All my girls are here with me
Round, round spinning out on me	Whiling out they've got (11) needs
I don't need no man, got my kicks for free	(Do you feel me, do you feel me)
We'll (1) still (2) on the beat down	(Do you feel me, do you feel me)
low	Round, round baby
I don't need nobody but my honeys	Round, (12) spinning out on me
When I go round, baby	I don't need no man got my kicks for free
Round, round spinning out on me	We'll ride still (13) on the beat down low
I don't need no man, got my (3) for free	I don't need (14) but my honeys
When you stare at my face	When I go round, baby
You're messing with my brain	Round round spinning out on me
If you're trying to convince me	I don't need no man, got my kicks for free
Then you better think again	We'll (15) still fired on the beat (16) low
If you move to the music	I don't (17) nobody but my honeys when I go
The music's got to give	Does it hurt when you see how I've done
If it's too complicated	Without you thought that I couldn't belong
That's the way I wanna live	Never (18) that you could be so cruel
If you hate me	All you need is some friends
I will (4) you	Won't be by yourself
How to brake me	Let's go round and round and round and round
Into something new	Round, (19) baby
If you want me	Round, round spinning out on me
Run away now	I don't need no man got my kicks for free
If you stop me	We'll ride still (20) on the beat down low
Then I'll hit the ground	I don't need (21) but my honeys
(And we go, here we go)	When I go round baby
Round, (5) baby	Round, round (22) out on me
Round, (6) spinning out on me	I don't need no man, got my kicks for free
I don't (7) no man, got my kicks for free	We'll ride (23) fired on the beat (24)
We'll ride (8) fired on the beat down low	low
I don't need (9) but my (10)	I don't need nobody but my honeys
when I go	When I go round, (25) when I go (when I go)
Explanations, no you don't need one	When I go (when I go)
Having a good time getting down to the fun	When I go (when I go)
And it's your time	When I go round, (26) when I go (when I go)
Just tonight he'll be mine and he's gone	When I go (when I go)
(Yeah, yeah)	When I go (when I go)
People moving, bodies grooving	When I go
Never ending playaz are changing	
(Don't you worry 'bout a thing)
