

## Fill in the gaps

I am the passenger	And everything was (14) for you and me
And I ride and I ride	All of it was made for you and me
I ride through the city's backsides	'Cause it (15) belongs to you and me
I see the stars come out of the sky	So let's (16) a ride
Yeah the bright and hollow sky	And see what's mine
You (1) it looks so (2) tonight	And sing
I am the passenger	(La la la la la la la)
I stay under glass	(La la la la la la la)
I look (3) my window so bright	(La la la la la la la)
I see the stars come out tonight	(La la)
I see the bright and hollow sky	(Oh) the passenger
Over the city's (4) backsides	He rides and he rides
And everything looks good tonight	He sees (17) from (18) glass
Let's sing (la la la la la la la)	He (19) through his window side
(La la la la la la la)	He (20) the things he knows are his
(La la la la la la la)	He sees the bright and hollow sky
(La la)	He (21) the city sleep at night
Get into the car	He sees the stars are out tonight
We'll be the passenger	And all of it is yours and mine
We'll ride (5) the city tonight	And all of it is yours and mine
We'll see the city's ripped backside	So let's ride and ride and ride
We'll see the bright and hollow sky	(Oh) sing
We'll see the (6) that (7) so bright	(La la la la la la la)
Stars made for us tonight	(La la la la la la la)
(Oh) the passenger	(La la la la la la la)
(Oh) how he rides	(La la)
(Oh) the passenger	(Oh) sing
He (8) and he rides	(La la la la la la la)
He looks through his window	(La la la la la la la)
What does he see	(La la la la la la la)
He (9) the (10) and hollow sky	
He (11) the stars (12) out tonight	
He sees the city's ripped backsides	
He sees the winding (13) drive
