Fill in the gaps

I am the passenger	And everything was made for you and me
And I ride and I ride	All of it was made for you and me
I ride through the city's backsides	'Cause it (7) belongs to you and me
I see the stars come out of the sky	So let's take a ride
Yeah the bright and hollow sky	And see what's mine
You know it (1) so good tonight	And sing
I am the passenger	(La la la la la la la)
I stay under glass	(La la la la la la la)
I look (2) my window so bright	(La la la la la la la)
I see the stars come out tonight	(La la)
I see the bright and hollow sky	(Oh) the passenger
Over the city's ripped backsides	He rides and he rides
And (3) looks good tonight	He sees things from under glass
Let's sing (la la la la la la la la)	He looks through his window side
(La la la la la la la)	He sees the things he knows are his
(La la la la la la la)	He sees the bright and hollow sky
(La la)	He sees the city sleep at night
Get into the car	He sees the stars are out tonight
We'll be the passenger	And all of it is yours and mine
We'll ride through the city tonight	And all of it is yours and mine
We'll see the city's ripped backside	So let's ride and (8) and ride and ride
We'll see the bright and hollow sky	(Oh) sing
We'll see the stars that (4) so bright	(La la la la la la la)
Stars made for us tonight	(La la la la la la la)
(Oh) the passenger	(La la la la la la la)
(Oh) how he rides	(La la)
(Oh) the passenger	(Oh) sing
He (5) and he rides	(La la la la la la la)
He looks (6) his window	(La la la la la la la)
What does he see	(La la la la la la la)
He sees the bright and hollow sky	
He sees the stars come out tonight	
He sees the city's ripped backsides
