## Forget You (Cover) by VÃ;zquez Sounds

I see you drive around town with the guy I love	Well
And I'm like forget you	
I guess the change in my (1) wasn't enough	I've got some news for you
I'm like forget you and forget him too	(Oh) I really hate you right now
Said, if I was richer, I'd still be with you	I see you (5) around town with the guy I love
(Ha) now ain't that some shh	And I'm like forget you
(Ain't (2) some shhh?)	I guess the change in my (6) wasn't enough
And although there's pain in my chest	I'm like forget you and forget him too
I still wish you the best with a forget you	Said, if I was richer, I'd still be with you
Yeah, I'm sorry, I can't afford a Ferrari	(Ha) now ain't (7) (8) shh
But that don't mean I can't get you there	(Ain't that some shhh?)
I guess she's an Xbox, and I'm more an Atari	And although there's pain in my chest
But the way you play your game ain't fair	I still wish you the best with a forget you
I pity the fool (3) falls in love with you	Now, baby, baby, baby
	Why'd you wanna, wanna hurt me so bad?
Well	(so bad, so bad) so bad
	I tried to tell my mama but she told me
I've got (4) news for you	This is one for (9) dad (your dad, your dad)
Yeah, go run and tell your little girlfriend	Yeah, she did
I see you drive around town with the guy I love	Why, why, why baby?
And I'm like forget you	I love you
I guess the change in my pocket wasn't enough	I still love you (ooh) (I still love you)
I'm like forget you and forget him too	I see you drive around town with the guy I love
Said, if I was richer, I'd still be with you	And I'm like forget you
(Ha) now ain't that some shh	I guess the change in my pocket wasn't enough
(Ain't that some shhh?)	I'm like forget you and (10) him too
And although there's pain in my chest	Said, if I was richer, I'd still be with you
I still wish you the best with a forget you	(Ha) now ain't that some shh
Now I know that I had to borrow	
Beg and steal and lie and cheat	Although there's pain in my chest
Trying to keep you, trying to please you	I still wish you the best with a forget you
'Cause being in love with your face ain't cheap
