

Fill in the gaps

S.O.S. sne's in disguise	The moon's my teacher
S.O.S. she's in disguise	And I'm her student
There's a she wolf in disguise	To (15) the (16) men, I got on
Coming out, (1) out, (2) out	me a special radar
A (3) girl that's all you ask of	And the fire department hotline
me	In case I get in trouble later
Darling it is no joke, (4) is lycanthropy	Not looking for cute little divos
The moon's awake now	Or (17) city (18) that just want to enjoy
With (5) wide open	But having a (19) time and behave
My body's craving	Very bad in the arms of a boy
So (6) the hungry	There's a she (21) in the closet
I've (7) devoting (8) to you	Open up and set her free
Monday to Monday	There's a she wolf in your closet
And Friday to Friday	Let it out so it can breathe
Not getting enough retribution	S.O.S. she's in disguise
Or decent incentives to keep me at it	S.O.S. she's in disguise
I'm (9) to (10) just a little	There's a she wolf in disguise
abused	Coming out, coming out
Like a coffee machine in an office	S.O.S. she's in disguise
So I'm gonna go somewhere (11) to get me a lover	S.O.S. she's in disguise
And tell you all (12) it	There's a she wolf in disguise
There's a she wolf in your closet	Coming out, coming out, (22) out
Open up and set her free	There's a she (23) in (24) closet
There's a she wolf in your closet	Let it out so it can breathe
Let it out so it can breathe	
Sitting across a bar, staring (13) at her prey	
It's going (14) so far, she's gonna get her way	
Nocturnal creatures	
Are not so prudent
