

## Fill in the gaps

## Falling Down by Selena Gomez & The Scene

(Ooh)	The world (16) out
You (1) and talk like you're some new sensation	You (you)
You move in circles, you don't need a invitation	When you're falling down
You spend your money, you can't get no satisfaction	Now it's not all about
You play it right so you can get the right reaction	You (you)
It won't be long my darling	When you're falling down
Pick up the phone, nobody's on it	You know I'll be around
Where are you're (2) now, baby?	When you're falling down (falling down)
How's anyone supposed to be there for	Smile for the camera, everybody's (18) a
You (you)	ya
When you're falling down	Smile for the camera
The (3) spinning out	'Cause they're all (19) to (20) ya
You (you)	Smile for the camera, camera, camera
When you're (5) down	Smile for the camera
Now it's not all about	Who's gonna catch ya?
You (you)	You (you)
When you're falling down	You (you)
You (6) I'll be around	When you're falling down
When you're (7) down,	The (21) start spinning out
(8) down	You (you)
(When you're (9) down, you're falling down)	When you're falling down
(When you're falling down)	Now it's not all about
What's out of place when you look into the mirror?	You (you)
The (10) is blurry but the (11) are	When you're falling down
(12) clearer	You (22) I'll be around
Your eyes are fixed, your smile is so elastic	When you're (23) down (falling down)
You (13) me roses but they're all just made of	Smile for the camera, everybody's (24) a
plastic	ya
It won't be long, my darling	Smile for the camera
Pick up the phone, nobody's on it	'Cause they're all about to trash ya
Where are (14) friends now, baby?	
How's everyone (15) to be there for	
You (you)	
When you're falling down
