Fill in the gaps

Hit The Lights by Selena Gomez & The Scene

It's the boy you never told I like you	Lose yourself tonight, come alive
It's the (1) you let get away	Let the (7) take you, lose control tonight
It's the one you saw that day on the train	Hit the lights, let the music move you
But you freeked out and walked away	Lose yourself tonight, come alive
It's the plane you wanna catch to Vegas	Let the moment take you, lose control tonight
Things you swear you'll do before you die	It's a mad mad world, gotta make an escape
It's the city of love that waits for you	It's a perfect world, when you go all the way
But you're too damn scared to fly	Hit the lights, let the music move you
Hit the lights, let the music move you	Lose yourself tonight
Lose yourself tonight, come alive	So let's go go go go
Let the moment take you, lose (2) tonight	All the way, yeah let's go go go
Hit the lights, let the music move you	Night and day, from the floor to the rafters
Lose (3) tonight, come alive	People raise your glasses
Let the moment take you, lose control tonight	We could (8) forever
It's the (4) (5) you totally screwed up	Hit the lights, let the music move you
Still you're (6) get it out your brain	Lose (9) tonight, come alive
It's the fight you had when you didn't make up	Let the moment take you, lose (10) tonight
It's the past that you're dying to change	It's a mad mad world, gotta make an escape
It's all the money the you're saving	It's a perfect world, when you go all the way
While the good life passes by	Hit the lights, let the music move you
It's all the dreams that never came true	Lose yourself tonight
'Cause you're too damn scared to try	
Hit the lights, let the music move you
