

Fill in the gaps

And I (1)	home		And I will wait, I (12) wait for you
Like a stone			Now I'll be bold
And I (2)	heavy into (3)	arms	As well as strong
These days of dust			And use my head alongside my heart
Which we've known			So tame my flesh
Will blow away			And fix my eyes
With this new sun			That tethered mind free from the lies
And I'll (4)	down, (5)	for now	But I'll (13) down (14) for now
And I'll (6)	down, know my grou	ınd	I'll (15) down know my ground
And I will wait, I (7) wait for you			Raise my hands
And I (8) wait, I will wait for you			Paint my spirit gold
So break my step			Bow my head
And relent			Keep my (16) slow
Well, you forgave and I won't forget			'Cause I (17) wait, I (18) (19)
Know what we've seen			for you
And him with less			And I will wait, I will wait for you
Now in (9)	_ way shake the excess		And I will wait, I (20) wait for you
And I will wait, I will wait for you			And I (21) wait, I will wait for you
And I (10)	wait, I will wait for you		
And I (11)	wait, I will wait for you
