

## Fill in the gaps

And I came home	And I will wait, I will wait for you
Like a stone	Now I'll be bold
And I fell heavy (1) arms	As well as strong
These days of dust	And use my head alongside my heart
Which we've known	So tame my flesh
Will (3) away	And fix my eyes
With this new sun	That tethered mind free from the lies
And I'll kneel down, wait for now	But I'll kneel down wait for now
And I'll kneel down, know my ground	I'll kneel down know my ground
And I will wait, I will wait for you	Raise my hands
And I will wait, I will wait for you	Paint my spirit gold
So break my step	Bow my head
And relent	Keep my (5) slow
Well, you forgave and I won't forget	'Cause I will wait, I (6) wait for you
Know what we've seen	And I will wait, I will wait for you
And him with less	And I will wait, I will (7) for you
Now in some way shake the excess	And I (8) wait, I (9) (10) fo
And I (4) wait, I will wait for you	you
And I will wait, I will wait for you	
And I will wait, I will wait for you
