

## Fill in the gaps

My friends they get me higher and higher
They're (1) me with friendly fire
We meet beneath the (2) tree
They're walking us by, just stay for me
My friends ain't got to (3) more
They meet outside the corner store
And (4) the pavement, miss the cracks
I'd join them if I (5) relax
Look for a trick when you aint got a thing
Live like a hermit if you wanna be king
People say it is not worth the wait
Everybody loves somebody to hate
I'm not gonna go and (6) this thru my veins
Blow them up
While looking for this again
Punk rock ain't in division
Send all the mocked kings to prison
Send all the mocked kings to prison I wanna (7) (8) setting something
• .
I wanna (7) (8) setting something
I wanna (7) (8) setting something free
I wanna (7) (8) setting something free  All the (9) drives us back to sea
I wanna (7) (8) setting something free  All the (9) drives us back to sea  And (10) is all about starting out again
I wanna (7) (8) setting something free  All the (9) drives us back to sea  And (10) is all about starting out again  Same old, same old, never (11) the same

I wanna (7) (8) setting something free  All the (9) drives us back to sea  And (10) is all about starting out again  Same old, same old, never (11) the same  My friends one by one get a job  Meet (12) in cars and get a dog  Throw parties, we sit on the ground

This time maybe you can hang it up

You can hang it up, and you can hang it up
This time (15) you can hang it up
You can hang it up, and you can hang it up
This time maybe you can (16) it up
Should have been a lawyer, take while you can
Never been happy since time began
It's (17) heavy, I'm a body full of bad bones
Buried in the back yard, cover me in flak stones
You got the time, they all can wait
You wanna stop talking, cuz it's not too late
Aquarium, staring 'em
Everybody (18) somebody to hate
Break it, make it, you can make the break
Back and (19) saying just (20) it
great
Intake, no fake, don't wanna let go
Make all the changes that you (21) to make
Stand back, give it up, ain't life a bitch
No war making, you just do that
Guess, guess that's the fame you maintain
Time for you to rearrange
And you can hang it up, and you can hang it up
This (22) you can hang it up
You can hang it up, and you can (24) it up
This time baby you can hang it up
You can hang it up, and you can hang it up
This time baby you can hang it up
You can hang it up, and you can hang it up
This time baby you can (25) it up
