## Just One Last Time by David Guetta & Taped Rai

| This is the end, Sasha                     | And I know what I'm (3) to do              |
|--|--|
| But I can't move away from you             | To get myself away (4) you                 |
| This is the edge of patience               | (Oh) you drain my soul and                 |
| But you'll prove yourself to me            | Even (5) it hurts I can't slow down        |
| Still you drain my soul and                | Walls are closing in and I hit the ground  |
| Even though it hurts I can't slow down     | With "there's no tomorrow" echo in my mind |
| Walls are closing in and I hit the ground  | Just one last time                         |
| With "there's no tomorrow" (1) in my mind  | Even (6) it hurts I can't slow down        |
| Just one last time                         | Walls are closing in and I hit the ground  |
| Even though it hurts I can't slow down     | With "there's no tomorrow" echo in my mind |
| Walls are closing in and I hit the ground  | Just one (7) time                          |
| With "there's no tomorrow" echo in my mind | Just one (8) time                          |
| Just one last time                         | Just one last time                         |
| Just one last time                         | Just one last time                         |
| Just one last time                         | This is the end, Sasha                     |
| Just one last time                         | But I can't move away from you             |
| There comes for us too bad                 |  |
