A piece of shattered glass

Fill in the gaps

Just Before Goodbye by Nina Nesbitt

You got new Jeans	Cause something so beautiful
The hood is not gone	Can fall apart so fast
I'm in the new dress that I've never worn	Don't you understand
And I could have sworn	Just before goodbye
You didn't bat an eye when I walked	You had the chance to (6) your mind
Into the room and I first thought	Just before you lied saying
You could be the one	You gave this (7) best try
Have we been (1) the world through	It's not enough to try
A piece of shattered glass	You have to give your blood and tears and time
Something so beautiful can fall apart so fast	Take the world of (8) inside
Just before goodbye	You had one last (9) to change your mind
You had the chance to change your mind	Just before goodbye
Just before you lied saying	Just before goodbye
You gave this (2) best try	You had the chance to change your mind
It's not enough to try	And just before you lied saying
You have to give your blood and tears and time	You gave this your best try
You had one last chance to change your mind	It's not enough to try
Just before goodbye	You have to give your (10) and tears and time
Curtains are drawn but we're still dressed	Take the world of hurt inside
The film plays on (3) (4) my bed	You had one last chance to change your mind
I ask what is left now	Just before goodbye
But you ignore, pretend that we're fine	Before goodbye
We're not together, half of the time	Before goodbye
I would have (5) the signs
