A piece of shattered glass

Fill in the gaps

Just Before Goodbye by Nina Nesbitt

You got new Jeans	Cause something so beautiful
The hood is not gone	Can fall apart so fast
'm in the new dress that I've never worn	Don't you understand
And I could have sworn	Just before goodbye
You didn't bat an eye when I walked	You had the chance to change your mind
nto the room and I first thought	Just (6) you lied saying
You could be the one	You gave this (7) best try
Have we been seeing the (1) through	It's not enough to try
A piece of shattered glass	You have to give your blood and tears and time
Something so beautiful can fall apart so fast	Take the world of hurt inside
Just before goodbye	You had one (8) chance to change your mind
You had the (2) to change your mind	Just before goodbye
Just before you lied saying	Just before goodbye
You gave this your best try	You had the chance to change your mind
t's not enough to try	And just before you lied saying
You have to give (3) blood and (4)	You gave this your best try
and time	It's not enough to try
You had one last chance to change your mind	You have to give your blood and tears and time
Just before goodbye	Take the world of (9) inside
Curtains are drawn but we're still dressed	You had one last chance to change your mind
The film plays on right under my bed	Just before goodbye
ask what is left now	Before goodbye
But you ignore, pretend that we're fine	Before goodbye
We're not together, half of the time	
would have known the signs
