## The Stars (Are Out Tonight) by David Bowie

	They're waiting to make their moves
Stars are (1) sleeping	But the stars are out tongiht
Dead ones and the living	
We live closer to the earth	Here they are upon the stairs
Never to the heavens	Sexless and not aware
The stars are never far away	They are the stars, they're dying for you
Stars are out tonight	But I hope (5) live forever
They watch us from behind their shades	They burn you with their (6) smiles
***, Jack and Kate and Brad	Trap you with their beautiful eyes
From (2) their tinted window str	retch They're (7) and shamed or drunk or scared
Gleaming like blackened sunshine	But I hope they live forever
Stars are (3) sleeping	Their jealousy's spilling down
Dead ones and the living	The (8) must stick together
Waiting for the first move	We (9) never be rid of these stars
Satyrs and their child wives	But I hope they live forever
Waiting for the last move	And they know just what we do
Soaking up our primitive world	That we toss and turn at night
Stars are never sleeping	They're waiting to (10) their moves on us
Dead ones and the living	But the stars are out tonight
Their jealousy's (4) down	Yeah
The stars must stick together	The stars are out tonight
We will never be rid of these stars	The stars are out tonight
But I hope they live forever	Yeah
And they know just what we do	
That we toss and turn at night
