The Stars (Are Out Tonight) by David Bowie

		They're waiting to make their moves
Stars are never sleeping		But the stars are out tongiht
Dead ones and the living		
We (1) closer to the earth		Here they are upon the stairs
Never to the heavens		Sexless and not aware
The stars are never far away		They are the stars, they're dying for you
Stars are out tonight		But I hope they live forever
They watch us from behind their shades		They burn you with their radiant smiles
***, Jack and Kate and Brad		Trap you with their beautiful eyes
From hehind their tinted window stretch		They're broke and shamed or drunk or scared
Gleaming like (2)	sunshine	But I hope they live forever
Stars are never sleeping		Their jealousy's spilling down
Dead ones and the living		The (7) must stick together
Waiting for the first move		We (8) never be rid of these stars
Satyrs and their child wives		But I (9) they live forever
Waiting for the (3) move		And they know just what we do
Soaking up our primitive world		That we toss and (10) at night
Stars are (4) sleeping		They're waiting to make their moves on us
Dead ones and the living		But the stars are out tonight
Their jealousy's (5)	down	Yeah
The stars must stick together		The stars are out tonight
We will (6) be rid of these stars		The stars are out tonight
But I hope they live forever		Yeah
And they know just what we do		
That we toss and turn at night
