

Fill in the gaps

So I look in your direction			Just you try and stop me	
But you pay me no attention, do you?			I'll be waiting in line	
I (1) you don't listen to me			Just to see if you care	
'Cause you say you see straight (2) me		me	If you care	
Don't you?			(Oh)	
And on and on			Did you want me to	change?
From the (3) I wak	ке		Well I (11)	for good
To the moment I sleep			And I want you to know	
I'll be there by your side			That you'll always ge	et (12) way
Just you try and stop me			I (13)	to say
I'll be (4) in line			Don't you shiver	
Just to see if you care			Don't you shiver	
(Oh)			Sing it (14) and clear	
Did you want me to change?			I'll always be (15) for you	
Well I changed for good			Yeah, I'll always be waiting for you	
And I want you to know			Yeah, I'll always be waiting for you	
That you'll (5) get your way			Yeah, I'll always be waiting for you, for you	
I wanted to say			I will always be waiting	
Don't you shiver			And it's you I see but you don't see me	
Shiver			And it's you I (16) so loud and so clear	
Sing it loud and clear			I sing it loud and clear	
I'll always be (6) for you			And I'll always be waiting for you	
So you know how much I (7) you			So I (17) in (18) direction	
But you (8) even see me, do you?			But you pay me no attention	
And is this my final chance of (9) you		u	And you know how much I need you	
And on and on			But you never (19)_	see me
From the (10) I wa	ake			
To the moment I sleep				
I'll be there by your side
