

I'll be there by your side

Fill in the gaps

So I look in your direction		Just you try and sto	p me		
But you pay me no attention, do you?	I'll be waiting in line				
I know you don't listen to me		Just to see if you care			
Cause you say you see straight (1)	_ me	If you care			
Don't you?		(Oh)			
And on and on		Did you want me to change?			
From the moment I wake	Well I changed for good				
To the moment I sleep		And I (4)	you to know		
I'll be there by (2) side	That you'll always get your way				
Just you try and stop me	I wanted to say				
I'll be waiting in line	Don't you shiver				
Just to see if you care	Don't you shiver				
(Oh)	Sing it (5) and clear				
Did you want me to change?		I'll always be (6)		_ for you	
Well I changed for good		Yeah, I'll always be	(7)	for you	
And I want you to know	Yeah, I'll always be waiting for you				
That you'll always get your way	Yeah, I'll (8) be (9) for you,				
I wanted to say		for you			
Don't you shiver	I will always be waiting				
Shiver	And it's you I see but you don't see me				
Sing it loud and clear	And it's you I hear so loud and so clear				
I'll (3) be waiting for you		I sing it loud and cle	ear		
So you know how much I need you		And I'll always be waiting for you			
But you never even see me, do you?		So I look in your direction			
And is this my final chance of getting you	But you pay me no attention				
And on and on		And you (10)	how muc	ch I need you	
From the moment I wake		But you never even see me			
To the moment I sleep
