

Fill in the gaps

Feel For You by Nightwish

You were my first love
The earth moving under me
Bedroom scent, beauty ardent
Distant shiver, heaven sent
I'm the (1)_____ on your lips
The freezing taste, the silvery sip
I'm the (2)_____ on your hair
Endless nightmare, devil's lair
Only so many times
I can say, I long for you
The lily among the thorns
The prey among the wolves
Someday, I will feed a snake
Drink her venom, stay awake
With time all pain will fade
Through your memory I will wade
Barely (3)_____ in her grave
Barely warm in my bed
Settling for a draw tonight
Puppet girl, your strings are mine
Barely (4)_____ in her grave

Barely (5)_____ in my bed
Settling for a draw tonight
Puppet girl, your strings are mine
This one is for you
For you, only for you
Just give in to it never think again
I (6)_____ for you
This one is for you
For you, (7)_____ for you
Just give in to it never think again
I (8)_____ for you
This one is for you
For you, only for you
Just (9)_____ in to it never think again
I feel for you
