## All That I'm Living For (Live) by Evanescence

I can feel the night beginning	All that I can't ignore alone at night
Separate me from the living	All that I'm wanted for
Understanding me	Although I wanted more
After all I've seen	Lock the last (7) door
Piecing every (1) together	My ghosts are gaining on me
Find the words to (2) me better	Guess I (8) I'd (9) to change the
If I only knew	world
How to pull myself apart	To make you see me
All that I'm living for	To be the one
All (3) I'm dying for	I could have run forever
All that I can't ignore alone at night	But how far would I have come
All that I'm wanted for	Without mourning your love?
Although I wanted more	All that I'm living for
Lock the last open door	All that I'm dying for
My (4) are gaining on me	All that I can't ignore alone at night
I believe that (5) are sacred	All that I'm wanted for
Take my darkest fears and play them	Although I wanted more
Like a lullaby	Lock the last open door
Like a reason why	My ghosts are gaining on me
Like a play of my obsessions	Should it hurt to love you?
Make me understand the lesson	Should I feel like I do?
So I'll find myself	Should I lock the last open door
So I won't be lost again	My ghosts are gaining on me
All (6) I'm living for	
All that I'm dying for
