Fill in the gaps

A Spoon Full Of Sugar by Julie Andrews

In every job that must be done	He knows
There is an element of fun	A song
You find the fun and, snap	Will move the job along
The job's a game	For a spoonful of sugar helps the medicine go down
And every (1) you undertake	The medicine go down
Becomes a piece of cake	Medicine go down
A lark, a spree	Just a spoonful of sugar helps the medicine go down
It's (2) clear to see	In a most delightful way
That a spoonful of (3) helps the medicine go	The honeybees that fetch the nector
down	From the flower to the comb
The (4) go down	Never tire of ever (7) to and fro
Medicine go down	Because they take a little nip
Just a spoonful of sugar helps the medicine go down	Fom every flower that (8) sip
In a most (5) way	And hence (and hence)
A robin feathering his nest	They find (they find)
Has very little time to rest	Their (9) is not a grind
While gathering his bits of (6) and twig	
Though quite intent in his pursuit
