

Fill in the gaps

In this kitchen
Look at us rallying
All our defenses
Look at us waging war
In our bedroom
Look at us jumping ship
In our dialogs
There is no difference
In what we're doing in here
That doesn't show up
As bigger (1) out there
So why (2) all our time
In dressing our bandages
When we've the ultimate
Key to the cause right here our underneath
Look at us form our cliques
In our sandbox
Look at us micro kids
With (3) our hearts blocked
Look at us turn away
From all the (4) spots
Look at dictatorship
On my own block
There is no difference

Look at us break our bonds

In what we're doing in here
That doesn't show up
As bigger symptoms out there
So why (5) all our time
In dressing our bandages
When we've the ultimate
Key to the cause right here our underneath
How I've spun my wheels
With (6) before my horse
When shine on the outside
Springs (7) the root
Spotlight on these seeds
Of (8) reasons
This core, born into form
Starts in my living room
There is no difference
In what we're doing in here
That doesn't show up
As bigger symptoms out there
So why spend all our time
In (9) our bandages
When we've the ultimate

Key to the cause right here our underneath
