How Deep Is Your Love (Cover) by Take That

And when you rise in the morning sun	Cause we're living in a (5) of fools
I feel you touch my hand in the pouring rain	Breaking us down
And the moment when you wander far from me	When they all shoud let us be
I wanna feel you in my arms again	We belong to you and me
And you come to me on a summer breeze	You're the light, you're my light
Keep you warm in your love, (1) you	(When I fall) And you may not think
(2) leave	That I (6) for you
And it's me you need to show	When you know down inside (7) I really do
How deep is your love	And it's me you need to show
Is your love, how deep is your love	How deep is your love
I really need to learn	Is your love, how deep is your love
'Cause we're living in a world of fools	I really need to learn
Breaking us down	'Cause we're (8) in a world of fools
When they all shoud let us be	They're breaking us down
We (3) to you and me	When they all shoud let us be
I believe in you	We belong to you and me
You know you're the door to my barest soul	How deep is your love
You are the light in my deepest darkest hour	So how deep is your love
And you are my savour when I fall (when I fall)	How deep is (9) love
And you may not think that I care for you	How deep is your love
When you know down inside that I really do	So how deep is your love
And it's me you need to show	How deep is your love
How deep is (4) love	
Is your love, how deep is your love	
I really need to learn
