Being Boring by Pet Shop Boys

We dressed up and fought, then thought: "Make amends"

Fill in the gaps

r came across a cache of old photos	And we were (8) noiding back
And invitations to teenage parties	Or worried that
"Dress in white" one said with quotations	Time would come to an end
From someone's wife, a famous writer	We were always (9) that
In the nineteen-twenties	Looking back you could always rely on a friend
When you're young you find inspiration	Now I sit with different faces
In (1) who's ever gone	In rented rooms and foreign places
And opened up a (2) door	All the people I was kissing
She said: "We (3) never feeling bored"	Some are here and some are missing
'Cause we were never being boring	In the nineteen-nineties
We had too much time to find for ourselves	I never dreamt that I would get to be
And we were never being boring	The creature that I always meant to be
We dressed up and fought, (4) thought: "Make	But I thought in spite of dreams
amends"	You'd be sitting somewhere here with me
And we (5) never holding back	'Cause we were never being boring
Or worried that	We had too much time to find for ourselves
Time would come to an end	And we were (10) being boring
When I went I (6) from the station	We dressed up and fought, then thought: "Make amends"
With a haversack and some trepidation	And we were never holding back
Someone said: "If you're not careful	Or worried that
You'll have nothing (7) and nothing to care for	Time would come to an end
In the nineteen-seventies"	We were always hoping that
But I sat back and looking forward	Looking back you could always rely on a friend
My shoes were high and I had spots	And we were never being boring
I'd bolted through a closing door	We were never being bored
I would never find myself feeling bored	'cause we were never being boring
'Cause we were never being boring	We were never being bored
We had too much time to find for ourselves	
And we were never being boring
