Just slow me	I falter again
Slow me down	Forgetting to breathe
Slow me down	I need to sleep
Slow me down	I'm (12) nowhere
Rushing and racing and running in circles	All (13) I've (14) I see in the
Moving so fast, I'm (1) my purpose	reflection
Blur of the traffic is (2) me spinning	Passed me (15) I wasn't paying attention
Getting nowhere	Tired of rushing, racing and running
My head and my heart are colliding, chaotic	I'm (16) apart
Pace of the world, I (3) (4) I could	Tell me
(5) it	(Oh) won't you take my hand and (17) me?
Try to appear (6) I've got it together	Slow me down, don't let love pass me by
I'm falling apart	Just show me how 'cause I'm ready to fall
Save me	Slow me down, don't let me live a lie
Somebody take my (7) and (8) me	Before my life flies by
Slow me down	I (18) you to slow me down
Don't let (9) pass me by	Just show me, I need you to slow me down
Just show me how	Slow me down, (19) me down
Cause I'm (10) to fall	The noise of the world is getting me (20) up
Slow me down	Chasing the (21) and I (22) I could
Don't let me live a lie	stop it
Before my life flies by	Just (23) to breathe
I need you to slow me down	Somebody please
Sometimes I fear that	Slow me down
I might disappear
