Fill in the gaps

Gonna Make You Sweat (Everybody Dance Now) by C&C Music Factory

Everybody dance now	Let the music (7) your soul
Everybody dance now	Let the rhythm move you
Give me the music	Everybody dance now
Give me the music	Everybody dance now
Everybody dance now	Everybody dance now
Everybody dance now	Pause, take a breath and go for yours
Everybody dance now	On my command now hit the dance floor
Everybody	It's gonna make you sweat till you bleed
Here is the dome	Is that (8) enough, indeed
Back with the bass	I paid the price, I control the dice
The jam is live in (1) and I don't waste time	I'm (9) precise
On the mike with a dope rhyme	To the point I'm nice
Jump to the rhythm, jump, jump to the rhythm, jump	The music takes control, your heart and soul unfold
And I'm here to combine	Your body is free and a whole
Beats and lyrics to make your shake your pants	Dance till you can't, dance till you can't dance no more
Take a chance	Get on the floor and get raw
Come on and dance	Then come back and upside down, easy now
Guys grab a girl, don't wait, (2) her twirl	Let me see you move
It's your world and I'm just a squirrel	Left to right (groove)
Trying to get a nut	Work me all night
To move (3) butt to the dance floor	The music is my life
So you what's up	Everybody dance now
Hands in the air	Everybody dance now
Come on say yeah	Everybody dance now
Everybody over here, everybody over there	Everybody
The (4) is live and I (5) this	Come on let's sweat
groove	Baby
Party people in the house, move	Let the music take control
Left to right (groove)	Let the (10) move you
Work me all night	Sweat
Come on let's sweat	Sweat
Baby	Let the music take your soul
Let the music take control	Let the rhythm move you
Let the rhythm (6) you
