

## Fill in the gaps

Grew up in a small town	Far away and breakaway
And when the (1) (2) fall down	I'll spread my wings and I'll (16) how to fly
I'd just stare out my window	I'll do what it takes 'till I touch the sky
Dreaming of what could be	I gotta make a wish, take a chance
And If I end unhappy	Make a (17) and breakaway
I (3) pray	Out of the darkness and (18) the sun
Trying hard to reach out	But I won't forget of the ones that I love
But when I try to speak out	I'll take a risk, take a chance
Felt like no one could hear me	Make a change, and breakaway
Wanted to belong here	Buildings with a hundred floors
But something (4) so (5) here	Swinging (19) doors
So I'd pray	Maybe I don't know where they'll take me
I could breakaway	Gotta (21) moving, moving on
I'll spread my (6) and I'll learn how to fly	Fly away, breakaway
I'll do what it takes, till I touch the sky	I'll spread my wings and I'll learn how to fly
I (7) (8) a wish, take a chance	Though it's not easy to tell you goodbye
Make a change, and breakaway	I gotta take a risk, take a chance
Out of the darkness and Into the sun	Make a change and breakaway
But I won't (9) of the ones that I love	Out of the darkness and into the sun
I'll take a risk, (10) a chance	But I won't forget of the place I come from
Make a change and breakaway	I gotta take a risk, take a chance
Wanna (11) the (12) breeze	Make a change and breakaway
Sleep (13) a (14) tree	Breakaway
Feel the rush of the ocean	Breakaway
Get onboard a (15) train	
Travel on jetplane
