How To Love by Lil Wayne

How To Love by Lil Wayne
(Cut the music up)
(A lil louder)
(Yeah)
You had a lot of crooks tryna steal your heart
Never really had luck
Couldn't never figure out
How to love
How to love
You had a lot of moments
That didn't last forever
Now you in a corner tryna put it together
How to love
How to love
For a second you were here
Now you over there?
It's hard not to stare
The way you moving your body
Like you never had a love
Never had a love
When you was just a youngun'
Your looks were so precious
But now you're grown up
So fly like a blessing
But you
Can't have a man look at you for five seconds
Without you being insecure
You never credit yourself so (1) you get older
It's seems like you came back ten times over

Now you're sitting here in this damn corner Looking through all your thoughts And looking over your sholder See, you had a lot of crooks tryna steal your heart Never really had luck Couldn't never figure out How to love... How to love... See, you had a lot of moments That didn't last forever Now you're in this corner tryna put it together How to love... How to love... Fill in the gaps
