## Back To December by Taylor Swift

I'm so glad you made time to see me	And I go back to december all the time
How's life?, (1) me how's your family	It turns out freedom
I haven't seen them in a while	Ain't nothing but missing you
You've been good, busier than ever	Wishing that I realized what I had
We small talk, work and the weather	When you were mine
Your guard is up and I (2) why	I'd go back to december
Because the last time you saw me	Turn around and (19) my own mind
Is still (3) in the back of your mind	I go back to december all the time
You gave me roses and I left them there to die	I miss your tan skin, your sweet smiles
So this me swallowing my pride	So (20) to me, so right
Standing in front of you	And how you held me in (21) arms
Saying I'm (4) for (5) night	That september night
And I go back to december all the time	The first (22) you (23) saw me cry
It turns out freedom	Maybe (24) is wishful thinking
Ain't nothing but missing you	Probably my mindless dreaming
Wishing (6) I (7) what I had	If we loved again I swear I'd love you right
When you were mine	I'd go back in time and change it but I can't
I'd go back to december	So if the chain is on (25) door I understand
Turn around to make it alright	This is me swallowing my pride
I go (8) to december all the time	Standing in front of you
These (9) I haven't been sleeping	Saying I'm sorry for (26) night
Staying up playing back myself leaving	And I go back to december
When your birthday (10) and I didn't call	It turns out freedom
Then I (11) about summer	Ain't (27) but missing you
All the (12) times	Wishing (28) I realized what I had
I watched you laughing from the (13)	When you were mine
side	I'd go back to december
And realized (14) I loved you in the fall	Turn around and make it alright
Then the cold came	I'd go (29) to december
The dark (15) when (16) crept into my	Turn around and change my own mind
mind	I go back to december all the time
You gave me all your love	All the time
And all I gave you was goodbye	
So this is me swallowing my pride	
Standing in (17) of you	
Saying I'm sorry for (18) night
