## C'mon Let Me Ride by Skylar Grey & Eminem

And the wheels go round	I'm only ^^^^^ with you
And round	**** you for (12) it's true
And round	I'm not like the sluts in this town
If you got a sweet tooth	They (13) me (blehh) in my mouth
You can (1) my watermelons	I wanna ride on (14) bike
If the swing set bores you	'Cause you're the boy that I like
I can (2) you all my talents	It's like I'm a sell out for you
I can (3) a tan	But (15) bike's so (16) and new,
Like other ****** can't	shiny and new
You can have all this, boy	She's distracted
And there's (4) one thing that I want (5)	By my reflectors, man, I can tell the chick's attracted
you	My (17) spoke to her, my Schwinn is a chick
Come on, let me ride your bicycle	magnet
It's so fantastical	Bagging up chicks like a bag of chips
On your bicycle	With a bag of (18) as big as
We can get a little more physical	(19) Jagger lips
Baby, after all it's only natural	Shagging's something I'm a pro at
I feel it coming, coming, coming	But I ain't practicing ****
I feel it running, running, running	Allen Iverson has safe sex
Come on, let me ride your bicycle	Condoms are for practice, man, I skip practice
It's so fantastical	Flip backwards while I (20) this (21) on
On your bicycle	its (22) seat
You (6) to ride my bicycle	My fantasy's to have you land where the kick stand is
You (7) to ride my bike	Got this (23) gagging, (24)
If the world starts freezing	(25) me the (26) killer
I can make it hot and humid	I'm the cousin of Godzilla
If you get a bee sting	'Cause I spit fire and my dick is dragging
I can suck out all the poison	Zig-zagging up the avenue
I can (8) you last	Pulling these chicks in my antagonist, wagon
Like all the ****** can't	Screaming
Have I made it clear, boy	Come on, let me ride your bicycle
There's only one thing that I want from you, hey	It's so fantastical
Come on, let me ride (9) bicycle	On your bicycle
It's so fantastical	We can get a little more physical
On your bicycle	Baby, (27) all, it's only natural
We can get a (10) more physical	I feel it coming, coming
Baby, after all, it's only natural	I feel it running, running
I feel it coming, coming, coming	Come on, let me ride your bicycle
I feel it running, running, running	It's so fantastical
Come on, let me ride (11) bicycle	On your bicycle
It's so fantastical	You (28) to ride my bicycle
On your bicycle	You want to ride my bike
	You want to ride my bicycle
	You (29) to ride my bike
