C'mon Let Me Ride by Skylar Grey & Eminem

And the wheels go round	I'm only ****** with you
And round	**** you for thinking it's true
And round	I'm not like the sluts in this town
f you got a sweet tooth	They make me (blehh) in my mouth
You can taste my watermelons	I wanna ride on your bike
f the swing set bores you	'Cause you're the boy that I like
can show you all my talents	It's like I'm a (5) out for you
can wear a tan	But your bike's so shiny and new, shiny and new
Like other ****** can't	She's distracted
You can have all this, boy	By my reflectors, man, I can tell the chick's attracted
And there's only one thing that I want from you	My wheels (6) to her, my Schwinn is a chick
Come on, let me ride your bicycle	magnet
t's so fantastical	Bagging up chicks like a bag of chips
On your bicycle	With a bag of prophylactics as big as Mick Jagger lips
We can get a little more physical	Shagging's something I'm a pro at
Baby, after all it's only natural	But I ain't practicing ****
(1) it coming, coming, coming	Allen Iverson has safe sex
feel it running, running, running	Condoms are for practice, man, I skip practice
Come on, let me (2) your bicycle	Flip backwards while I (7) this bike on its banana
t's so fantastical	seat
On your bicycle	My fantasy's to (8) you land where the kick stand is
You want to ride my bicycle	Got this (9) gagging, they call me the broad killer
You want to (3) my bike	I'm the cousin of Godzilla
f the world starts freezing	'Cause I spit fire and my dick is dragging
can make it hot and humid	Zig-zagging up the avenue
f you get a bee sting	Pulling these chicks in my antagonist, wagon
can suck out all the poison	Screaming
can (4) you last	Come on, let me ride your bicycle
Like all the ****** can't	It's so fantastical
Have I made it clear, boy	On your bicycle
There's only one thing that I want from you, hey	We can get a little more physical
Come on, let me ride your bicycle	Baby, (10) all, it's only natural
t's so fantastical	I feel it coming, coming, coming
On your bicycle	I feel it running, running, running
We can get a little more physical	Come on, let me ride your bicycle
Baby, after all, it's only natural	It's so fantastical
feel it coming, coming, coming	On your bicycle
feel it running, running	You want to ride my bicycle
Come on, let me ride your bicycle	You want to ride my bike
t's so fantastical	You want to ride my bicycle
On your bicycle	You want to ride my bike
