

To your friends when they ask me

Fill in the gaps

've asked about you and they told me things	Even though we both know that you do
But my mind didn't change	You do
And I still feel the same	One time, been in love one time
What's a life (1) no fun?	You and all your girls in the club one time
Please don't be so ashamed	All so (7) that you're following your
've had mine, you've had yours, we (2) know	heart
Ne know	'Cause your mind don't control
They don't get you like I will	What it does sometimes
My only wish is I die real	We all have our nights though
Cause that truth hurts, and those lies heal	Don't be so ashamed
And you can't sleep thinking that he lies still	I've had mine, you've had yours, we both know
So you cry still, tears all in the pillow case	We know (we know)
Big girls all get a little taste	You hate being alone, you ain't the only one
Pushing me away so I give her space	You hate the fact that you bought the dream
Dealing with a heart that I didn't break	When they (8) you one
'll be there for you, I will care for you	You love your friends
keep (3) you just don't know	But somebody should've told you something
Trying to run from that	To save you
Say you're done with that	Instead they say
On your face, girl, it just don't show	Don't (ha ha ha ha) tell me (ha ha ha ha)
When you're ready, just say you're ready	I don't care (ha ha ha ha)
Nith all the baggage just ain't as heavy	If you hurt (ha ha ha ha)
And the party's over, just don't forget me	l don't (ha ha ha ha) tell you
We'll change the pace and we'll just go slow	You don't care (ha ha ha ha)
You won't ever have to worry	If you're true (ha ha ha ha)
You won't (4) have to hide	Don't (ha ha ha ha) tell me (ha ha ha ha)
You've seen all my mistakes	I don't care (ha ha ha ha)
So look me in my eyes	If you hurt (ha ha ha ha)
Cause if you let me, here's what I'l do	I don't (ha ha ha) tell you
'll (5) care of you	You don't care (ha ha ha ha)
've (6) and I've lost	If you're (9) (ha ha ha ha)
(Yeah)	I know you've been hurt by someone else
t's my birthday, I'll get high if I want to	I can tell by the way you carry yourself
Can't deny that I want you	If you let me, here's what I do
But I'll lie if I have to	I'll (10) care of you
Cause you don't say you love me	I've loved and I've lost
