

Fill in the gaps

I've asked about you and they told me things	Even (4) we both know (5) you do
But my mind didn't change	You do
And I still feel the same	One time, been in love one time
What's a life with no fun?	You and all your girls in the club one time
Please don't be so ashamed	All so convinced that you're following your heart
I've had mine, you've had yours, we both know	'Cause (6) mind don't control
We know	What it does sometimes
They don't get you like I will	We all have our nights though
My only wish is I die real	Don't be so ashamed
'Cause that truth hurts, and those lies heal	I've had mine, you've had yours, we both know
And you can't sleep thinking that he lies still	We know (we know)
So you cry still, tears all in the pillow case	You hate being alone, you ain't the only one
Big girls all get a (1) taste	You hate the fact that you bought the dream
Pushing me away so I give her space	When they sold you one
Dealing with a heart that I didn't break	You love (7) friends
I'll be there for you, I will care for you	But somebody should've told you something
I keep thinking you just don't know	To save you
Trying to run from that	Instead they say
Say you're done with that	Don't (ha ha ha ha) tell me (ha ha ha ha)
On your face, girl, it just don't show	I don't care (ha ha ha ha)
When you're ready, just say you're ready	If you hurt (ha ha ha ha)
With all the baggage just ain't as heavy	I don't (ha ha ha ha) tell you
And the party's over, just don't forget me	You don't care (ha ha ha ha)
We'll change the pace and we'll just go slow	If you're true (ha ha ha ha)
You won't ever have to worry	Don't (ha ha ha ha) (8) me (ha ha ha ha)
You won't ever have to hide	I don't care (ha ha ha ha)
You've seen all my mistakes	If you hurt (ha ha ha ha)
So look me in my eyes	I don't (ha ha ha ha) tell you
'Cause if you let me, here's what I'l do	You don't care (ha ha ha ha)
I'll take care of you	If you're true (ha ha ha ha)
I've loved and I've lost	I know you've (9) hurt by someone else
(Yeah)	I can (10) by the way you carry yourself
It's my birthday, I'll get (2) if I want to	If you let me, here's what I do
Can't deny that I want you	I'll take care of you
But I'll lie if I have to	I've loved and I've lost
'Cause you don't say you love me	
To your friends (3) they ask me	

- 1. little
- 2. high
- 3. when
- 4. though
- 5. that
- 6. your
- 7. your
- 8. tell
- 9. been
- 10. tell
