

Fill in the gaps

As the winter winds	Yes, my heart told my head
Litter London with lonely hearts	"This time no, (15) (16) no"
(Oh) the (1) in (2) eyes	(Oh) the shame that sent me off
Swept me into your arms	From the God that I once loved
Was it love or fear of the cold	Was the same that (17) me into your arms
That led us (3) the night?	(Oh) and pestilence is won
For every kiss	When you are lost and I am gone
Your beauty (4) my doubt	And no hope
And my (5) my heart	No hope will overcome
"Let (7) grow"	But if your strife
But my heart told my head	Strikes at your sleep
"This (8) no, this (9) no"	Remember (18) swaps snow for leaves
We'll be (10) and buried	You'll be (19) and (20)
One day my girl	again
And the time we (11) given	When the (21) (22) and sur
Will be left for the world	(23) (hey)
The flesh that (12) and loved	And my head told my heart
Will be (13) by plague	"Let (24) grow"
So let the memories	But my heart told my head
Be good for those who stay	"This (25) no"
And my head (14) my heart	And my head told my heart
"Let love grow"	"Let (26) grow"
But my heart told my head	But my (27) told my head
"This time no"	"This time no, this time no"
