

Fill in the gaps

As the winter winds	Yes, my heart told my head
Litter London with lonely hearts	"This time no, this time no"
(Oh) the warmth in your eyes	(Oh) the shame that sent me off
Swept me into your arms	From the God that I once loved
Was it (1) or fear of the cold	Was the same that sent me into your arms
That led us through the night?	(Oh) and pestilence is won
For every kiss	When you are lost and I am gone
Your (2) trumped my doubt	And no hope
And my head told my heart	No (5) (6) overcome
"Let love grow"	But if your strife
But my heart told my head	Strikes at your sleep
"This time no, this time no"	Remember (7) (8) snow for
We'll be washed and buried	leaves
One day my girl	You'll be happy and wholesome again
And the time we were given	When the city clears and sun ascends (hey)
Will be (3) for the world	And my head told my heart
The flesh that lived and loved	"Let (9) grow"
Will be eaten by plague	But my heart told my head
So let the memories	"This time no"
Be (4) for those who stay	And my head told my heart
And my head told my heart	"Let love grow"
"Let love grow"	But my heart told my head
But my heart told my head	"This time no, this (10) no"
"This time no"
