SUB inglés

Fill in the gaps

We Found Love by Rihanna & Calvin Harris

It's like you're screaming	Shine a light through an open door
And no one can hear	Love and life I will divide
You almost feel ashamed	Turn away 'cause I need you more
That (1) (2) be that important	Feel the (14) in my mind
That without them, you feel like nothing	It's the way I'm feeling I just can't deny
No one (3) ever understand how (4) it	But I've gotta let it go
hurts	We found (15) in a hopeless place
You feel hopeless	We found love in a hopeless place
Like nothing can save you	We found love in a hopeless place
Then (5) it's over	We (16) (17) in a
And (6) gone	(18) place
You almost wish	Yellow diamonds in the light
That you could (7) all that bad stuff back	And we're standing side by side
So that you (8) have the good	As your (19) crosses mine
Yellow diamonds in the light	We found (20) in a hopeless place
And we're standing side by side	We found love in a hopeless place
As (9) (10) crosses mine	We found love in a hopeless place
What it takes to come alive	We (21) love in a hopeless place
It's the way (11) feeling I just can't deny	We (22) love in a hopeless place
But I've gotta let it go	We found love in a (23) place
We found love in a hopeless place	We found love in a (24) place
We found love in a hopeless place	We found (25) in a hopeless place
We found love in a (12) place	
We found (13) in a hopeless place	

Fill in the gaps
