

Fill in the gaps

Not gonna get us	We'll run away, keep everything simple
They're not gonna get us	Night will come down, our guardian angel
Not gonna get us	We rush ahead, the crossroads are empty
Not (1) get us	Our spirits rise, they're not (5) get us
Starting from here, let's make a promise	My love for you, (6) forever
You and me, let's just be honest	Just you and me, all else is nothing
We're gonna run, nothing can stop us	Not going back, not going back there
Even the night that falls all around us	They don't understand,
Soon there will be laughter and voices	They don't understand us
Beyond the (2) (3) the mountains	Not gonna get us
We'll run away on roads (4) are empty	Not gonna get us
Lights from the airfield shining upon you	Nothing can stop this, not now I love you
Nothing can stop this, not now I love you	They're not (7) get us,
They're not gonna get us,	they're not gonna get us
they're not gonna get us	Nothing can (8) this, not now I (9) you
Nothing can stop this, not now I love you	They're not gonna get us,
They're not gonna get us,	they're not gonna get us
they're not gonna get us	They're not gonna get us
They're not gonna get us	They're not gonna get us.
Not gonna get us	
Not gonna get us
