

Fill in the gaps

Not (1) get us	We'll run away, (12) everything simple
They're not gonna get us	Night (13) (14) down, our guardian
Not (2) get us	angel
Not gonna get us	We (15) ahead, the crossroads are empty
Starting from here, let's make a promise	Our spirits rise, they're not gonna get us
You and me, let's (3) be honest	My (16) for you, always forever
Ne're gonna run, nothing can stop us	Just you and me, all else is nothing
Even the night that falls all (4) us	Not (17) back, not (18) back there
Soon there will be laughter and voices	They don't understand,
Beyond the (5) over the mountains	They don't (19) us
We'll run (6) on roads (7) are empty	Not gonna get us
_ights from the airfield shining (8) you	Not gonna get us
Nothing can stop this, not now I love you	Nothing can (20) this, not now I (21)
They're not gonna get us,	you
hey're not gonna get us	They're not (22) get us,
Nothing can (9) this, not now I love you	they're not (23) get us
They're not gonna get us,	Nothing can stop this, not now I love you
hey're not (10) get us	They're not gonna get us,
They're not gonna get us	they're not (24) get us
Not gonna get us	They're not gonna get us
Not (11) get us	They're not gonna get us.
