21st Century Breakdown by Green Day

Born into nixon I was (1) in hell		A worker of pride	A worker of pride	
A welfare child where the teamsters dwelled		My debt to the status quo		
The last one born, and the first one to run		The scars on my hands		
My town was blind from refinery sun		And the means to an end		
My generation is zero		Is all that I (6)	to show	
I never made it as a working class hero				
21st century breakdown		I swalloed my pride		
I once was lost but never was found		And I choked on my faith		
I think I am losing what's left of my mind		I've given my heart and my soul		
To the 20th century deadline		I've broken my fingers		
I was made of poison and blood		And lied through my teeth		
Condemnation is what I understood		The pillar of damage control		
Videogames to the tower's fall		I've (7) to	the edge	
Homeland security could kill us all		And I've thrown the bouquet		
My generaton is zero		Of flowers left over the grave		
I never made it as a (2)	class hero	I sat in the waiting room		
21st (3) breakdown		Wasting my time		
I once was lost but never was found		And waiting for Judgement Day		
I think I am losing what's left of my mind		I praise liberty		
To the 20th century deadline		The "Freedom to Obey"		
We are the class of, the class of 13		Is the song that strangles me		
Born in the era of humility		Well, don't (8)	the lin	
We are the desperate in the decline		(Oh) dream, America dream		
Raised by the (4)	_ of 1969	I can't (9)	sleep	
My name is no one		From the light's early dawn		
The long lost son		(Oh) scream, America scream		
Born on the 4th of July		Believe what you see		
Raised in an era of heroes and cons		From heroes and cons		
That (5) me for dead or ali	ive			
I am a nation
