

## Fill in the gaps

All of that thick time (1) you	I nink about it all the while
Has (2) me so thick and drunk	One day the wind will come up
'And it's (3) to laugh about it"	And you'll come up empty again
said, "it's okay to laugh (4) it"	And who'll be laughing then?
Runnin' twice as fast to (5) in the same place	You'll come up empty again
Don't (6) my breath until the end of the day	There's no reason, no explanation, so play the violin
And I'd rather be shot in the face	On the ricochet, it's going to hit you
Than hear what you're (7) to say	It's always (16) (17) someone gets
One day the (8) (9) (10) up	hurt
And you'll come up empty again	On the ricochet, it's going to hit you
And who'll be laughing then?	It's always (18) until someone (19)
You'll (11) up (12) again	hurt
There's no reason, no explanation, so play the violin	You can laugh at me, when it misses you
t's always funny (13) (14)	And you can laugh at me, when it (20) you
gets hurt	You can laugh at me, (21) it (22)
And then it's just hilarious	you
t's always (15) until someone gets hurt	(It's just hilarious)
And then it's just hilarious	It's (23) funny until (24)
You beat me every time you blink	(25) hurt
f only I did not have to think	And then it's (26) hilarious
Think about you crackin' a smile	It's always funny until
