## How Am I Supposed To Live Without You by Michael Bolton

I could hardly (1) it when I (2)	it when I (2)		Now that I've been lovin' you so long	
the news today		How am I supposed to live without you		
I had to come and get it straight from you		And how am I supposed to carry on		
They said you were leaving, (3)	swept	When all (6)	I've been livin' for is gone	
(4) heart away		And I don't wanna (7)	the price	
From the (5) upon your face, I see it's true		I'm (8) pay for dreamin'		
So tell me all about it		Now that your dream has come true		
Tell me 'bout the plans you're makin'		Tell me how am I supposed to live without you		
Tell me one thing more before I go		Now that I've been loving you so long		
Tell me how am I supposed to live without you		How am I supposed to live without you		
Now that I've been lovin' you so long		And how am I supposed to carry on		
How am I supposed to live without you		When all that I've (9) livin' for is gone		
And how am I supposed to carry on		Gone without you		
When all that I've been livin' for is gone		Now that I've been lovin' you so long		
Didn't come here for cryin', didn't come here to break down		How am I supposed to live without you		
It's just a dream of mine is comin' to an end		And how am I supposed to carry on		
How can I blame you when I built my world around		When all (10) I've been livin' for is gone		
The hope that one day, we'd be so much more than fri	ends			
And I don't wanna know the price				
I'm gonna pay for dreamin'				
Even now, it's more than I can take
