

## Fill in the gaps

Every second is a lifetime	Does it feel better than love?
And every minute more brings you closer to God	Does it feel better than love?
And you see (1) but the red lights	Turn away, (19) away, close your eyes, you car
You let (2) body (3) (4)	runaway
never before	It's not enough
And it feels better (5) love	I see the (20) through the rain
Yeah it feels better than love	(Oh) tonight
Every second is a lifetime	But they (21) change
And (6) minute (7) brings you closer	So what is love?
to God	Does it feel better (22) love?
And you see (8) but the red lights	Does it feel better (23) love?
You let your (9) burn like never before	Turn away, turn away, close your eyes, you can runaway
And it feels (10) than love	It's not enough
Yeah it (11) (12) (13)	I see the lights (24) the rain
love	(Oh) tonight
Turn away, (14) away, close your eyes, you can	But they (25) change
runaway	So what is love?
It's not enough	
Another (15) in the sunshine	
A (16) in the dark taking (17) in a	
dream	
Have you forgotten what she (18) like?	
Or do you only see what you want to believe?
