

Or do you only see what you want to believe?

Fill in the gaps

Every second is a lifetime	Does it (6) better than love?
And every minute more brings you closer to God	Does it feel better than love?
And you see nothing but the red lights	Turn away, turn away, close (7) eyes, you can
You let your body (1) like never before	runaway
And it (2) better than love	It's not enough
Yeah it feels better than love	I see the lights through the rain
Every second is a lifetime	(Oh) tonight
And every minute more brings you closer to God	But (8) never change
And you see nothing but the red lights	So what is love?
You let your body burn like never before	Does it feel better than love?
And it feels (3) than love	Does it feel better than love?
Yeah it feels better than love	Turn away, turn away, close your eyes, you can runaway
Turn away, turn away, close your eyes, you can runaway	It's not enough
It's not enough	I see the lights through the rain
Another second in the sunshine	(Oh) tonight
A decade in the dark taking part in a dream	But they never change
Have you (4) (5) she looks	So what is love?
like?
