## Fill in the gaps

### Funny Little Word by Alexander Rybak

Suddenly I'm famous	Whatever life will bring
And (1) know my name	And (16) have to bear with yo
I've got a (2) girls just waiting	This (17) (18) I sing
And (3) it's a shame	Your boyfriends might be angry
That my (4) has been captured	My girlfriends might be blue
By your funny little smile	But no one can deny it
And finally I'm happy	From now on I love you
If (5) for a while	And I have to say it's new to me
People call me stupid	This feeling in my heart
For (6) you like a queen	Guess I've been (19) of lonely
But I don't even worry	And you've been (20) of smart
'Cause you're my unforeseen	And I don't know for sure
And I (7) that you'll be with me	Where this is going
If only in my dreams	Still I hope for more and more
But (8) you are next to me	'Cause who would know that you
And you're glad or so it seems	Would treat me like a boy
And I don't know for sure	And I treat you (21) a girl
Where this is going	In this (22) little world
Still I hope for (9) and more	And I don't know for sure
'Cause who (10) know that you	Where this is going
Would treat me (11) a boy	Still I hope for more and more
And I (12) you like a girl	'Cause who would know (23) you
In this funny (13) world	Would treat me like a boy
Don't promise me forever	And I (24) you like a girl
Just love me day by day	In this funny little world
No one (14) the future	This funny little world
We're (15) but that's okay	
'Cause you'll always be a part of me
