Fill in the gaps

Funny Little Word by Alexander Rybak

Suddenly I'm famous	Whatever life will bring
And people know my name	And people have to bear with you
I've got a thousand girls just waiting	This silly song I sing
And therefore it's a shame	Your boyfriends might be angry
That my heart has been captured	My girlfriends might be blue
By your (1) little smile	But no one can (5) it
And finally I'm happy	From now on I love you
If only for a while	And I have to say it's new to me
People call me stupid	This feeling in my heart
For treating you like a queen	Guess I've (6) kind of lonely
But I don't even worry	And you've been kind of smart
'Cause you're my unforeseen	And I don't know for sure
And I hope (2) you'll be with me	Where (7) is going
If only in my dreams	Still I hope for more and more
But here you are next to me	'Cause who would (8) that you
And you're glad or so it seems	Would treat me like a boy
And I don't (3) for sure	And I treat you like a girl
Where this is going	In this (9) (10) world
Still I hope for more and more	And I don't know for sure
'Cause who would know that you	Where this is going
Would treat me like a boy	Still I hope for more and more
And I treat you like a girl	'Cause who would know that you
In this funny little world	Would treat me like a boy
Don't promise me forever	And I treat you like a girl
Just love me day by day	In this funny little world
No one knows the future	This funny little world
We're young but that's okay	
'Cause you'll (4) be a part of me
