

## Explosions by Ellie Goulding

You trembled like you'd seen a ghost

And I gave in

I (1)\_\_\_\_\_ the things you need the most, you said

Where have you been

You wasted all that (2)\_\_\_\_\_ to run and hide

I wonder why

I remind you of the days you poured your heart into

But you (3)\_\_\_\_\_ tried

I've fallen from grace, took a blow to my face

I've loved and I've lost, I've loved and I've lost

Explosions

On the day you wake up needing somebody

And you've learned

It's okay to be afraid

But it will never be the same

It will never be the same

You left my soul bleeding in the dark

So you could be king

The rules you set are still (4)\_\_\_\_\_ to me and I've

Lost my faith in everything

The nights you could cope

Your intentions were gold

But the mountains will shake

I need to know I can still make explosions

## Fill in the gaps

On the day you wake up needing somebody

And you've learned

It's okay to be afraid

But it will never be the same

And as the floods move in

And your (5)\_\_\_\_\_ starts to sink

I was the (6)\_\_\_\_\_ thing on your mind

I know you better than you think

'Cause it's simple, darling

I (7)\_\_\_\_\_ you a warning

Now (8)\_\_\_\_\_ you own

Is falling from the sky in pieces

So watch them fall with you in slow motion

I (9)\_\_\_\_\_ that you'll find peace of mind

And I'll find you another time

I'll love you, another time

Explosions

On the day you wake up needing somebody

And you've learned

It's okay to be afraid

But it will never be the same
