Explosions by Ellie Goulding

You trembled (1)_____ you'd (2)_____ a ghost
And I gave in
I lack the things you need the most, you said
Where have you been
You (3)_____ all that sweetness to run and hide
I wonder why
I remind you of the days you poured your heart into
But you (4)_____ tried
I've fallen (5)_____ grace, took a blow to my face
I've (6)_____ and I've lost, I've loved and I've lost
Explosions
On the day you wake up needing somebody
And you've learned
It's okay to be afraid
But it will never be the same
It will never be the same
You (7)_____ my soul bleeding in the dark
So you could be king
The rules you set are still untold to me and I've
Lost my faith in everything
The nights you could cope
Your intentions were gold
But the mountains will shake
I need to know I can (8)_____ make explosions

On the day you wake up needing somebody
And you've learned
It's okay to be afraid
But it will never be the same
And as the floods (9)_____ in
And your body starts to sink
I was the last thing on your mind
I know you better than you think
'Cause it's simple, darling
I gave you a warning
Now everything you own
Is falling from the sky in pieces
So watch them fall with you in slow motion
I pray that you'll find (10)_____ of mind
And I'll find you another time
I'll love you, another time
Explosions
On the day you wake up needing somebody
And you've learned
It's okay to be afraid
But it will never be the same
